SQUALANE

Squalane provides a variety of natural health and beauty benefits to the skin. Squalane is known to soften the wrinkles and small maturity lines around the eyes and mouth. Used regularly, it promotes a more supple and youthful looking skin. Formulated correctly into personal care products, it permeates and is absorbed deeply into the skin without leaving an oily film. This smooth, deep penetrating oil assists in the acceleration of new cell growth. Squalane has been known to discourage the growth of bacteria that can block normal skin cell development. Squalane helps to protect the skin from the harmful effects of extreme cold, smoke and pollution. Squalane enhances the skin's appearance, making it radiant and supple.

ANALYSIS	SPECIFICATIONS	RESULTS
Appearance		Clear, colorless liquid
Acid Value mg KOH/G	0.20 Max	0.5
Density (SF)	0.807 - 0.812	0.809 (@20C)
Iodine Value	4 Max	0.21
Saponification Value	2 Max	0.05
Chromatographic Purity	To pass test	Passes
Refractive Index	1.4510 - 1.4550	1.452 (@20C)
Odor		Passes
